Rules:

- Competition starts Saturday 19th September 2020.
- Each 'Gameweek' you must pick one team to win an English Premier League match. If that team wins you are through to the next round of fixtures, if they lose or draw you are out!
- When you have picked a team once, you cannot pick them again during the competition!
- Entries must be received by 5pm each Friday
- If the entry is not received by 5pm each Friday, the entrant will be allocated the first team alphabetically which has not already been chosen.
- Should there be a tie of FIVE people or less, the winners will be offered the opportunity to split the money or play on (any more than 5 winners and the competition will restart with the remaining entrants)
- A tie is considered when all 5 entrants have been knocked out in the same week.
- If a split is not agreed after the first knockout, the competition will continue until there is only one winner.
- This competition will only run on a weekend where there is a full set of Premier League fixtures.
- A consolation draw for £100 for all entrants (excluding the winner / winners), will take place at the end of the competition.
